# ABOUT VISION

Founded on December 5, 2021, with just two staff members and ten channel partners, our journey began with a vision to redefine plot development in Tamil Nadu. In just a few years, we have grown into a thriving organization with 50+ administrative staff members and an extensive network of 3000+ channel partners, expanding our presence across Chennai and Trichy. From our humble beginnings, we now take pride in having completed and managing 35+ prestigious projects across prime locations, including Chennai, Tiruvallur, Kanchipuram, Arakkonam, Sunguvachathiram, Trichy, Panjappur, Wireless Road, Viralimalai, Pudukkottai and Manapparai.

At the heart of everything we do is our vision to make luxury amenities affordable, bringing modern living within reach for everyone. Each of our projects is designed to be a landmark, blending innovation, comfort, and community. With every endeavor, we strive to turn our customers' dreams into reality, delivering plots that inspire and lives that flourish.

### Panjappur Integrated Bus Terminus Becomes New Transport Hub

Trichy's long-awaited Panjappur Integrated Bus Terminus has officially begun operations, taking over long-distance and private bus services from the congested city centre. The large, modern facility is designed to handle heavy passenger movement, ease city traffic, and improve regional connectivity along the Trichy-Madurai corridor. With smoother transport access emerging in the Panjappur belt, nearby suburban locations like Kathaloor-Boothakudi are naturally gaining better reach, making daily travel easier and enhancing the development potential of residential layouts in the region.

### Highway Deal Boosts Trichy-Madurai Corridor

The Adani Road Transport Group has become the highest bidder for the 124-km stretch of National Highway 38 (Trichy-Thuvankurichi-Madurai) under the Toll-Operate-Transfer (TOT) model, offering ₹1,692 crore, according to The Economic Times. The stretch will now receive upgraded maintenance, improved riding quality, and more organised traffic management. As this corridor becomes more efficient, fast-moving and better maintained, areas located along the highway—such as Kathaloor and Boothakudi—stand to receive smoother access and enhanced connectivity, increasing their appeal for both living and investment.

### Real Estate Market in Trichy Jumps by 50% on Infrastructure Push

Trichy's real-estate sector has witnessed nearly a 50% growth in 2025, driven by rising demand from NRIs and buyers from major cities, reported The Times of India. Key infrastructure developments such as the airport expansion, the new Panjappur bus terminus, and expanding link roads have significantly pushed investor confidence. With development radiating outward from the city, fast-growing pockets around Panjappur, Kathaloor, and Boothakudi are emerging as strong options for early investment, supported by rising land activity and improved future prospects.
